OUR VISION

**To make the world healthier — with quality medicines that are
affordable and accessible to all.**

WHAT GUIDES US

The Five Pillars

Every decision at Zylomed Healthcare is measured against these five commitments.

A1

Affordability

Quality medicines at affordable prices.

A2

Accessibility

Reaching patients to improve health care.

A3

Accountability

Quality assured from WHO-GMP plants.

A4

Adaptability

Associates recruited from from where they work.

A5

Assure Ethical

Assuring patient-centred centred excellence.

02 • THE LOGO

The Master Logo

The Zylomed mark is a **human figure formed from two crossed capsules** — a band-aid “X” of care embracing a person at its centre. It unites **medicine** and **humanity** in one optimistic symbol.

- **The symbol** — figure built from capsule strokes, signalling signalling care, recovery and people-first medicine.
- **The wordmark** — ZYLOMED HEALTHCARE, bold and and confident, with the TM mark.
- **The tagline** — “Supporting Health, Enhancing Lives...”

Logo Variations

Pick the version with the strongest contrast for its background. Never recreate — always use supplied files.

Full Lockup

Default. Use on white & light backgrounds.

Icon Only

App icons, favicons, social avatars, stamps.

Reversed (White)

For navy, photo & dark backgrounds.

03 • VARIATIONS

Clear Space & Sizing

Give the logo room to breathe. Keep other elements outside the protected zone.

Minimum clear space on all sides equals “X” — the height of the icon’s head.

MINIMUM SIZE

Full lockup — print **32 mm**

Full lockup — screen **120 px**

RULE OF THUMB

When in doubt, give it more space — never less.

Don't Do This

Protecting the logo keeps the brand consistent and trustworthy.
